

Edition October 2026

Catalogue

Nuts, dried fruit and seeds for snacking, baking and cooking

Buttery cashews, crunchy almonds, chewy sultanas, sweet mango and spicy rice crackers. Our nuts and fruit come from where they grow: hazelnuts from Turkey, walnuts from Chile, tropical fruit from Thailand. Many of our products are a single ingredient with nothing added, like our almonds and pumpkin seeds.

A brand by Tan-Tan

Natural Nuts is Tan-Tan's own brand. Ali Ağırkaya founded the family company in Vilvoorde on 5 February 2002 and still runs it today. Around 37 people work there, supplying shops across Belgium, from corner shops to medium-sized businesses. For an order or a question about the range, call or e-mail us.
